Mayor Barthlome called the meeting to order at 6:00 p.m.

Councilmember Bingham gave the invocation.

Clerk Reeves led the Pledge of Allegiance.

The minutes of the regular meeting held on February 5, 2025 were discussed. Motion to accept the minutes as written for 2/05/25 was made by Councilmember Tillotson. Councilmember Bingham seconded the motion. Motion passed unanimously.

Bills in the amount of \$144,967.57 and payroll in the amount of \$13,596.34 were reviewed for payment approval. Councilmember Tillotson moved that the bills be approved as reviewed. Councilmember Toone seconded the motion. Motion passed unanimously.

Mayor Barthlome turned the time to Reed Crandall with 3C Wireless. Mr. Crandall inquired about the tower and small building located by the water tanks. He would be interested in leasing the tower and the building to put a dish on to be able to expand his internet company in the Grace area. Mayor Barthlome and Superintendent Crookston did some research and as far as they could tell the tower and building seem to be abandoned. Superintendent Crookston will discuss this with Attorney Doug Wood to see if it would be allowed to set up a lease with Mr. Crandall.

The changes to the zoning map were discussed. Mayor Barthlome asked the city council members to study the map and be ready to make any suggestions that they feel need to be changed before the next meeting.

Councilmember Lowe moved to approve the transfer of \$136,000.00 from the sewer fund money market account to the checking to pay for the grit removal system. Councilmember Tillotson seconded the motion. Motion passed unanimously.

The city council read through Chapter 1 of Title 3 of the city code. There were no changes that needed to be made.

Superintendent Crookston reported that there were a few frozen meters over the last couple of weeks that the city got fixed. They have been working on plowing the roads.
